Invoice amount and days to payment

Each point is one paid invoice. Enterprise customers pay larger invoices and take longer to pay on average.

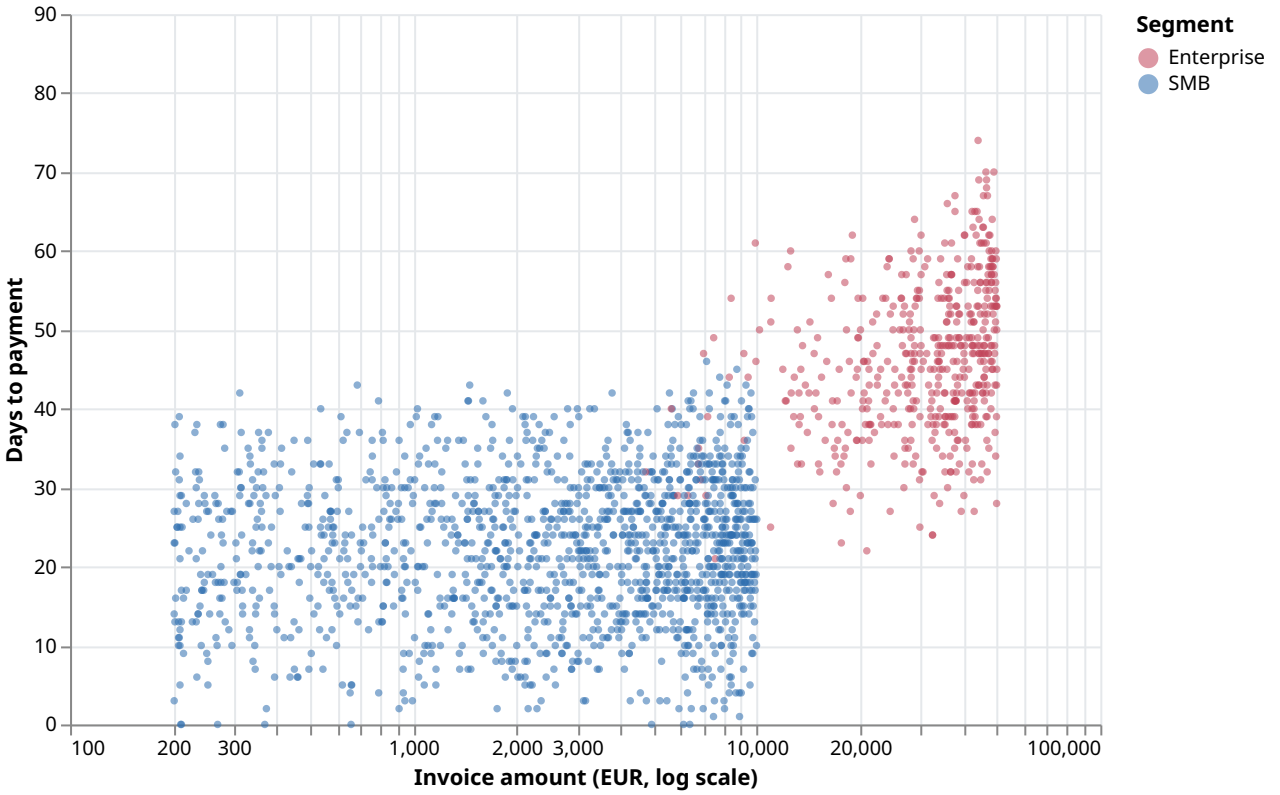

Figure 1. Invoice amount (log scale) against days from invoice to payment, 2,000 invoices.

Segment	Invoices	Avg. EUR	Avg. days
Enterprise	500	33,035	46.1
SMB	1,500	3,845	22.2
